Introduction ”

Amolik came into existence in 2013 to shape the real estate market and has become one of Faridabad's fastest and leading real estate companies. With its competency towards the latest designs and technologies, Amolik thrives to become the pioneer of the real estate market in Delhi NCR and across India. We provide world-class products in independent homes, shop-cum-office spaces, and plotted developments at prime locations for overall growth. We want everyone to experience the joy of a homely feeling that suits their personality. We are known for our timely delivery and for shaping an open-space into a new lifestyle experience.

Two

Principles We Work Upon.

1 Building Quality

2 Delivering Timely

Amolik aims to build world-class high-quality products at already developed prime locations to give its customers the joy of growth and development with on-time delivery.

Our Vision

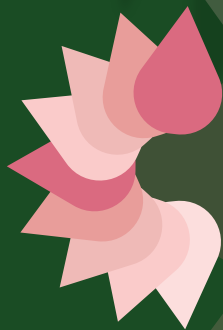

To make good quality projects by using the best raw materials and latest technologies that provides value for money through great teamwork.

Our Mission

To become the pioneer in the real estate industry and make a strong brand presence in Delhi NCR & across India and to be known for great quality work and on-time delivery.
